How has family life changed over time?

Some questions to ask your grandparents or older friends and relatives.

How many children were there in your	When you were a child was your house		
family?	the same or different to		
	house?		
What sort of food did you eat?	What are some of the toys you played		
	with?		
Do we eat different foods now?	What are the different toys you see		
	now?		

What are some games you played with your family and friends?	What did you do in your spare time after school and on the weekends?				
Do you see some different games now?					
How did you communicate with your friends and family if they were away?	What new technology is there now that you didn't have when you were a child?				
Thank you so much for helping us with our survey. Is there anything else you think we will find interesting?					

Child's name_____
